Bunting Park's paw-fect addition ready to be put to the test

Gladstone Regional Council's newly constructed Dog Agility Area at Bunting Park in Calliope is now open and ready for action.

If you've got four paws, Gladstone Regional Council's latest addition in Calliope will have your tail wagging.

Ready to put speed, agility and stamina to the test, the additional green space in Calliope gives residents another great reason to head outdoors.

Gladstone Region Acting Mayor Chris Trevor said the addition of a dog off-leash area was identified in the Bunting Park Master Plan.

"We have an abundance of beautiful green spaces here in the Gladstone Region, so it's great to be able to share those with our furry friends also," Councillor Trevor said.

"Not only is it great to spend time outdoors, but regular exercise is an important factor in our canine companions' health and happiness."

The \$60,000 Bunting Park – Dog Agility area has been funded by the Queensland Government's Works for Queensland program.
