## About the Gladstone Foundation

The Gladstone Foundation was settled by trust deed as a perpetual fund in February 2011 by the then Minister for Infrastructure and Planning.

The Trustee of the Gladstone Foundation is the Public Trustee of Queensland who has ultimate responsibility for the Foundation. The Public Trustee of Queensland engages a capital investment manager to provide advice and oversee the investment of the capital.

A Gladstone Board of Advice comprising local business, community and philanthropic representatives, and a representative from Gladstone Regional Council and the Department of Employment, Economic Development and Innovation, has been established to make recommendations to the Trustee for the investment and distribution of funds.

The Chair of the Gladstone Board of Advice is independent from government and the Foundation's key stakeholder groups.

The Gladstone Foundation supports a small secretariat. Following initial support from the former Department of Infrastructure and Planning and now the Department of Employment, Economic Development and Innovation, the Gladstone Foundation will support its working needs from operating revenues.
