

# Why Become a Member of Welcoming Cities?

Membership of the Welcoming Cities network is a measurable step towards advancing communities where everyone can belong, contribute and thrive. All that's required to join is a commitment and signature from the Council's Mayor or CEO. Councils join at the Committed level, as either a Free or Premium member. Members join a network of local councils across Australia who are supported through:

- **Knowledge Sharing.** Supporting local governments to access evidence-based research, resources policies and case studies.
- **Partnership Development.** Facilitating and resourcing multi-sector partnerships to maximise learning, reach and impact.
- **Celebrating Success.** Recognising local governments that demonstrate leading practice and innovation in welcoming efforts.
- **Standard and Accreditation.** Setting the National Standard for cultural diversity and inclusion policy and practice in local government.

## How to become a member:

To be recognised as a member, a council must return a commitment form available to download from the Welcoming Cities website, signed by the Council's Mayor or CEO. This form highlights the commitment of the council to:

- Join, and participate in, a network of cities and communities that are committed to becoming more welcoming and inclusive.
- Identify at least one key staff contact that will liaise directly with the Welcoming Cities team.
- Communicate regularly with the Welcoming Cities team, through at least three conference calls each year and an annual in-person meeting, to progress planning and share and learn from practices of other welcoming cities and communities.

Once the commitment form is returned and processed, members are part of the network and can begin to access a range of membership benefits.
