Green - An overall score of 65% and above demonstrates that an application has met or exceeded all EPs. The Assessment Panel may favorably recommend the application for full funding weight.
Yellow - If the overall score between 50% to 64% demonstrates that an application has met or exceeded 4 EPs but missing one or more in others. The Assessment Panel may choose to recommend funding the application based on scores received for EPs with high weighting and overall alignment to Community Celebration Fund objectives.
Orange - An overall score of 35% or less demonstrates that an application has mostly provided marginal evidence across all EPs. The Assessment Panel may still choose to recommend the application for part funding based on some evidence of meeting the objectives of the Community Celebration Fund objectives.
