

## MEDIA STATEMENT

3 July 2020

### **Section of Gladstone Regional Art Gallery & Museum to close temporarily for heritage assessment works**

Council will temporarily close its heritage listed Town Hall Gallery to enable structural assessments as part of its asset management program.

GRAGM is a heritage listed building, built in 1934, and Council is proud to protect and conserve this special part of Gladstone's history.

To enable our community to connect with arts and culture, the O'Connell Gallery will be reopening next week with an alternate entry point for visitors.

Council appreciates the community's understanding as we work to preserve our beloved building.

Please visit [www.gragm.qld.gov.au](http://www.gragm.qld.gov.au) or the GRAGM Facebook page for updates.
