## 6.0 POLICY STATEMENT:

Council recognises the unique needs of pensioners and offers a concession of rates to financially assist pensioners, as ratepayers, in accordance with section 120(1)(a) of the *Local Government Regulation 2012*.

The concession is provided to encourage pensioners to be independent and live in their own home where possible as Council believes this provides a "quality of life" benefit.

The conditions for eligibility and the proportion of benefit for the Council rate concession shall be in accordance with the Queensland State Government Pensioner Rate Subsidy Scheme.

Council's rate concession for pensioners is in addition to the subsidy provided by the Queensland State Government and the following additional conditions apply:

- a concession of 50% of the differential general rate up to a maximum of \$300 be granted to pensioners who receive the pension; and
- the pensioner must be the owner/ratepayer and resident of the property for the period of the levy in an approved residence.

No pro-rata adjustment will be made for the current financial year, on the death of a pensioner, for either the Council or State Rebate. Pro-rata adjustments will be made on the sale of a property which was owned by a pensioner.
