Animal Control

Animal Registration

Council has committed itself to a philosophy of promoting responsible pet ownership, making every pet a loved and wanted pet. The fee structure is based on this principle with significant benefits being offered to the owners of de-sexed animals compared to entire animals. Recognition is given to pension concession card holders or DVA Gold card holders and a significant discount is offered on the registration fee for the animals they own. Council has also resolved to provide a common registration fee for both cats and dogs. Registration and permit requirements apply to all dogs and cats greater than three (3) months of age per animal species (cats and/or dogs).

- Registration Period - 1 November to 31 October (12 months)
- Early Payment Discount: The discounted amount of the registration fee if paid within thirty days of the notice issued / new application.
