Moonlight Movies makes its return with a double feature screening

Moonlight Movies is back with a double feature screening taking place at Gladstone's Memorial Park from 6pm on Saturday 25 July.

Movies *A Dog's Journey* (rated PG) and *After the Wedding* (rated M) will be screening for the community's enjoyment at 6pm and 8pm respectively.

There will be food vendors on site, however there will be no ATM available.

To ensure community safety, COVID-19 measures will be put in place including:

- All movie goers will be required to sign in at the event by providing their name, home address and phone number
- Social distancing (1.5 metres) between separate social groups is to be strictly adhered to
- Do not attend if you have returned from overseas or a COVID-19 hotspot in the past 14 days, have been in contact with a confirmed case of COVID-19 in the past 14 days or have cold or flu-like symptoms.

Gladstone Region Councillor Darryl Branthwaite said Council's events team is excited to bring the popular family favourite back for the first time in 2020.

"Bad weather and the COVID-19 health emergency forced the cancellation of previous screenings this year, so it's great to see community events such as Moonlight Movies make a return," Councillor Branthwaite said.

"Make sure to bring a picnic basket, blanket or chair and get ready for a fun family night out under the stars."

Moonlight Movies is a free community event presented by Gladstone Regional Council.
