6.0 POLICY STATEMENT:

6.1 Council's chosen remuneration market position

Gladstone Regional Council competes in a dynamic regional labour market with the rest of the Local Government Sector, local industries such as the smelters and mining companies, the Port, CQ University, Aurizon and other services companies. Most of Council positions in the individual Contract Staff category can work across industries with very few bound to the Local Government Sector.

Council as a public service organisation accepts that it is not able to compete on the same basis for talent as large, especially first tier, industries which are structured for profit. Council does not offer variable income in the form of incentives, bonuses or share options. Council cannot rely solely on the TRP to attract the required talent from the labour market and then to retain the required skills and talent. Council's Employee Value Proposition, Organisational Culture and Employer Brand must support attraction and retention and create a reputation as a Great Place to Work and Regional Employer of Choice.

The chosen competitive position of Council is to remunerate within +/- 5% of **the 50th percentile benchmark** with approval for remuneration up to the 75th percentile on a case by case basis.

6.2 Individual Contract Terms for Level 1 and 2 Positions

Level 1 and Level 2 Positions are permanent however individual employment contract durations are fixed term. Renewable Fixed Term Contracts of up to 5 years can be negotiated with the successful incumbent. The Mayor has delegation to negotiate the term for the CEO contract and the CEO has delegation to negotiate the term for Level 2 (i.e. General Managers) contracts.

6.3 Individual Contract Terms for Level 3 Positions

The majority of Level 3 Positions are permanent and individual employment contract durations generally have no end of date term. However, where the position has been classified as fixed term, the successful incumbent may only be appointed up to the maximum term of the approved position. The CEO or relevant General Manager (that the position directly reports to) has delegation to negotiate the term for Level 3 contracts in accordance with approved position term.

6.4 Determining remuneration during recruitment

The Mayor has delegation to approve the remuneration for the CEO contract and the CEO has delegation to approve the remuneration for Level 2 (i.e. General Managers) contracts within the range specified in section 6.1 above.

6.5 Annual Remuneration Review of Individual Contract Staff

The CEO Remuneration is reviewed annually. The Mayor will appoint a CEO Performance and Salary Review Committee to support the process with the committee mandated to recommend the proposed salary increase for the CEO. The Mayor has delegation to approve the CEO salary increase after reporting to Council for endorsement.

Remuneration review of Level 2 and other individual contract staff should occur annually with the decision to be effective 1 July. Any amendments to remuneration levels are at the discretion of the CEO.
