Dear Stephen

**ACKNOWLEDGEMENT OF CHANGED APPLICATION - MINOR CHANGE
PLANNING ACT 2016 S68 (1) & S52
DEVELOPMENT ASSESSMENT RULES 2017 PART 6**

**DA/4/2020 - MATERIAL CHANGE OF USE - IMPACT
PARKING STATION
AGNES STREET, AGNES WATER QLD 4677
LOT 8 CP 910294**

I wish to acknowledge receipt of your request to change the abovementioned Development Application dated 30 September 2020. Council has reviewed the proposed change and determined that it is a Minor Change as per Part 6 of the *Development Assessment Rules 2017*.

Furthermore, the Minor Change will not result in additional referral requirements and has been a direct result of a matter raised in the received submissions. As the Development Application has completed Public Notification, Council are satisfied that the submitted Minor Change and additional information would not be likely to attract a submission objecting to the change, and therefore the application will continue to Decision Stage.

Should you have any queries in relation to this matter, please contact Council's Planning Officer Nick Whittle on (07) 4970 0700.

Yours faithfully
