

GLADSTONE CONNECTS – MIT REAP PROGRAM

- *MIT REAP* (Regional Entrepreneurial Accelerator Program) is a global program
- Australia has a *Queensland Connects* team funded by Advance Queensland
- *Queensland Connects* involves a partnership with two other universities: QUT (Queensland University of Technology, Brisbane) and MIT (Massachusetts Institute of Technology, USA)
- There are three regional QLD sub-REAP teams (Gladstone, Mackay, Toowoomba)
- Each Team identifies a *Must Win Battle*
- Each Team has 5 stakeholder groups as per the Global Framework: Entrepreneur, risk capital, corporate or industry, government, university.
