Summary of Assessment Panel Comment and Recommendation

Assessment held: Community Engagement Centre, 142 Goondoon Street, Gladstone

Date: March 2021

Assessment Score	46%
Comment	The Panel score reflects the panel's assessment that the application to support the Grand Final and Presentation Day does not align to the intent of the Ignite Event fund objectives. In order to score higher the panel recommends the applicant seek to include greater detail and provide evidence to support how the event would meet at least two of the Ignite Fund KSC. The panel noted the applicant request for support toward the Pam Moore Carnival was closer aligned to the intent of the fund and recommends support of that event.
Recommendation	The panel does not recommend funding to support this application.
