Settle in for a movie night at East Shores with CAPS Short Film Tour

Forget streaming movies for a night and come down to East Shores on Saturday 24 April as Gladstone Regional Council presents CAPS Short Film Tour.

Seven short films will be shown on the night from hundreds of entries around the world.

Films include *Ashmina*, *Made in China*, *Maybe Another Time*, *The Visit*, *Anna*, *Golden Minutes* and *Golem*.

Gladstone Region Mayor Matt Burnett said the free event will premiere from 5.50pm on 24 April at the East Shores 1B outdoor cinema.

“There will be an hour and a half of award-winning short films to make you laugh and cry,” Councillor Burnett said.

“Attendees are encouraged to pack a picnic or purchase takeaway food from a local eatery.

“CAPS Short Film Tour travels across Central Queensland’s cities bringing a selection of international short films while celebrating the best of Central Queensland’s filmmakers.”
