See some amazing photographs on display at annual presentation night

Gladstone Regional Art Gallery and Museum (GRAGM) is inviting the public to attend the 2021 Intercity Images Gladstone Saiki Photographic Exchange Presentation to be held this Friday (21 May).

Gladstone Region Mayor Matt Burnett will be joined by Wendy Marsh (President of the Gladstone Saiki Sister City Advisory Committee), Cameron Curd (Manager and Curator of GRAGM) and other guests at the presentation night, commencing from 6pm at GRAGM.

Gladstone Region Councillor Glenn Churchill said the presentation night will celebrate the extraordinary photography on display, presentation of certificates to selected photographers and an informative Curator's Talk.

"Cameron Curd will present a Curator's Talk focused on selected exhibitions on display – *2021 Intercity Images Gladstone Saiki Photographic Exchange* and *WOMEN: A Century of Change*, which is on tour from National Geographic," Councillor Churchill said.

"Following the Curator's Talk, 30 selected images from the 2021 Intercity Images exhibition will be announced and certificates presented to photographers.

"These images will be toured to Saiki, our Sister City in Japan later this year."
