Support CBD retailers for your chance to win a \$1000 shopping spree

To celebrate and support the retailers who have supported and worked with us during the CBD Civic Precinct Footpath Renewal Project, Gladstone Regional Council is running the Gladstone CBD Shopping Spree Competition to encourage the community to shop local and support our city heart.

Participants can go into a draw to win a gift hamper including vouchers from participating Goondoon Street retailers valued at more than \$1000.

“Council is running a competition to encourage the Gladstone community to shop local and support our city heart,” Councillor Burnett said.

“Without their support we wouldn’t have been able to replace the aged underground water infrastructure, replace aging pavers with coloured concrete sections or undertake other works to enhance the visitor experience including tree and garden bed planting, additional lighting and seating, and the installation of phone charging stations.

“Visitors to Goondoon Street will start seeing some noticeable changes between now and the end of June, as most of the work completed to date has involved replacing the underground water infrastructure, some of which dates back to the 1930s.”

Cr Burnett said entering to the Gladstone CBD Shopping Spree Competition was straightforward.

“It could be as simple as buying a coffee, lotto ticket, getting a haircut or buying a gift for a loved one – just pick up an entry form at one of the 21 participating retailers for your chance to win,” he said.
