## Temporary water interruption to affect some New Auckland residents

Gladstone Regional Council advises that some New Auckland residents will experience a temporary interruption to their water supply on Monday 31 May between the hours of 9am and 3pm.

Employees from Council's Water Program Delivery team will undertake hydrant maintenance and valve installation between these hours as a part of the Sandpiper Water Main Renewal project.

Residents may start hearing some noise today as the area is prepared ahead of the work being carried out on 31 May.

The following streets will be impacted by the water interruption:

- Heron Court, New Auckland
- Brolga Avenue, New Auckland
- Lorikeet Avenue, New Auckland
- Sandpiper Avenue, New Auckland
- Cockatoo Drive, New Auckland.

Affected residents have been notified via letterbox drop in advance of these works and Council apologies for any inconvenience caused.

Residents can call Council on 4970 0700 if they require any further information.
