Long Text | Skipped: 11 | Answered: 9 (45%)

Sentiment

Tags

big industry is subsidised at expense of rate payer
strategy and action comparison to other towns
no recognition of natural and social environment **fast forward BTARC (Boyne/Tannum Pool)**
are we doing enough?
There is a lack of balance **more focus on rail** **not creating employment** **protect the environment**
hydrogen development **higher emphasis on tourism** **beautifying main street Boyne/Tannum**
diversification driven by renewable **detriment of locals parks and roads**
environment protection should be considered in the strategy
navigating the website and finding documents and issue
cease overburdening quality of life (improve health care)
it does not consider the environment and social values held by many community members
