Cr Churchill advised that he has a declarable conflict of interest with the Jack Viljoen 'Calliope River Village Festival' project application as the coordinator, Mr Jack Viljoen, is a musical associate and member of a band, Sand, which Cr Churchill is also a member of and who may be invited to perform at the festival however Cr Churchill seeks no remuneration in his involvement in the music industry. Cr Goodluck elected to leave the meeting room while the matter was considered and voted on.

G/1. MAYORAL STATEMENT OF CURRENT ISSUES

The Boyne Tannum Hook Up was held over the weekend, 3 days of fantastic fishing adventures with many people participating and one of the biggest crowds yet. Interestingly from last year there was over 1,200 participants that entered the event from across the state of Queensland and 60 participants from outside the state. I would like to congratulate the Hook Up committee, all of the volunteers, sponsors and various community organisations that came together to make that event possible, it was a really fantastic event once again for the region. Last years event saw 100% of the accommodation booked out for the entire Boyne Tannum area and the event input approximately \$2 million into the local economy. I know the Hook Up committee will have some up to date figures over the coming weeks. Fantastic to see another successful Hook Up event.

The Gladstone Engineering Alliance (GEA) Supply Chain expo was held last week on Thursday 28 April 2022 and it was a wonderful event up at the Gladstone Entertainment Convention Centre (GECC). I would like to congratulate the GEA team and the Council team at the GECC for bringing that event together. The event was a great display of local innovation and capability from our local businesses, and particularly our local manufacturers and making lots of important connections. We also heard from many different proponents which are looking at new and future industries and it just goes to show that Gladstone is the place to be when we're talking about industries of the future and the jobs of the future.

Yesterday, Monday 2 May 2022, was Labour Day and there were many hundreds of people gathered down at the Gladstone Marina. Labour Day is a day that we come together to acknowledge the achievements of workers and their unions over many generations. It was a great day for all, there were jumping castles and lollies for the kids and lots of fund to be had. Make sure you get along and participate in that event in future years.

May is domestic violence awareness month. Tomorrow, Wednesday 4 May 2022, is Domestic and Family Violence Remembrance Day held at Friend Park at Barney Point and everyone is invited to come along and show your support for a violence free community.

We also have Our Priceless Past Short Film Series red carpet premiere event on tomorrow, Wednesday 4 May 2022, at 2:30pm at the GECC. Everyone is invited to come along. It is a fantastic collaboration of short stories put together from Year 8 students of Toolooa State High School and telling stories of many of the seniors in our community that have helped shape and forge the community that we live in today. Lots of local film makers including Katrina Elliott, Wezzy Cruze and Photopia Studio as well as First Nations filmmaker Kaylene Butler have created the first Our Priceless Part series of short films. That will be a very special event and I certainly invite everyone along to come and participate in that.

And we have Mother's Day on Sunday 8 May 2022 and I would like to wish all a happy mother's day to all the mothers out there and I hope everyone gets spoilt with lots of breakfast in bed.
