Briefly describe the types of material you will be transporting

Terms and Conditions

1. Waste transporters must comply with the requirements of the Trade Waste Management Plan.
2. The Transporter holds an Environmental Authority for regulated waste transport in Queensland.
3. The Transporter agrees to enter into an Agent's Agreement under Section 90 of the Environmental Protection Regulation 2019, which transfers responsibility for trackable waste reporting from Council to the Transporter.
4. The Transporter will comply with all relevant legislation while undertaking Tankered Waste activities.
5. It is a requirement that all drivers attending Gladstone Regional Council's discharge locations at first undertake induction training for the site (in accordance with current induction procedures)
6. Tankered Waste Approval holders are authorised to discharge Deemed Quality Tankered Waste at Gladstone Regional Council's Gladstone Waste Water Treatment Plant in accordance with the Trade Waste Management Plan.

Information Required to be included

Copy of Environmental Authority	<input type="text"/>
Provide number of vehicles and associated registration numbers	<input type="text"/>
Fee of \$184.00 as per 23/24 Fees and Charges	<input type="text"/>
Date	Signature

Declaration

I have received, read and understood the conditions to discharge tankered waste to Gladstone Regional Council's sewerage system and agree to abide by those conditions. I understand that failure to do so may result in the withdrawal of my approval for discharging tankard waste to Gladstone Regional Council's sewerage system.

I/we, declare that all of the information provided on this application is true and correct, and that I have the authority to make the statements and give the undertakings included within it.
