Heart of Agnes Community Association Inc.

Community Spirit in Action!

Heart of Agnes Community Association Inc. is a community asset; owned and operated by the people of the Agnes Water community.

It is an incorporated, not-for-profit platform designed to foster local partnerships and collaboration among community members.

A mechanism for social connection and support; a launchpad for building ideas and a tool for working more effectively with Council and Industry.

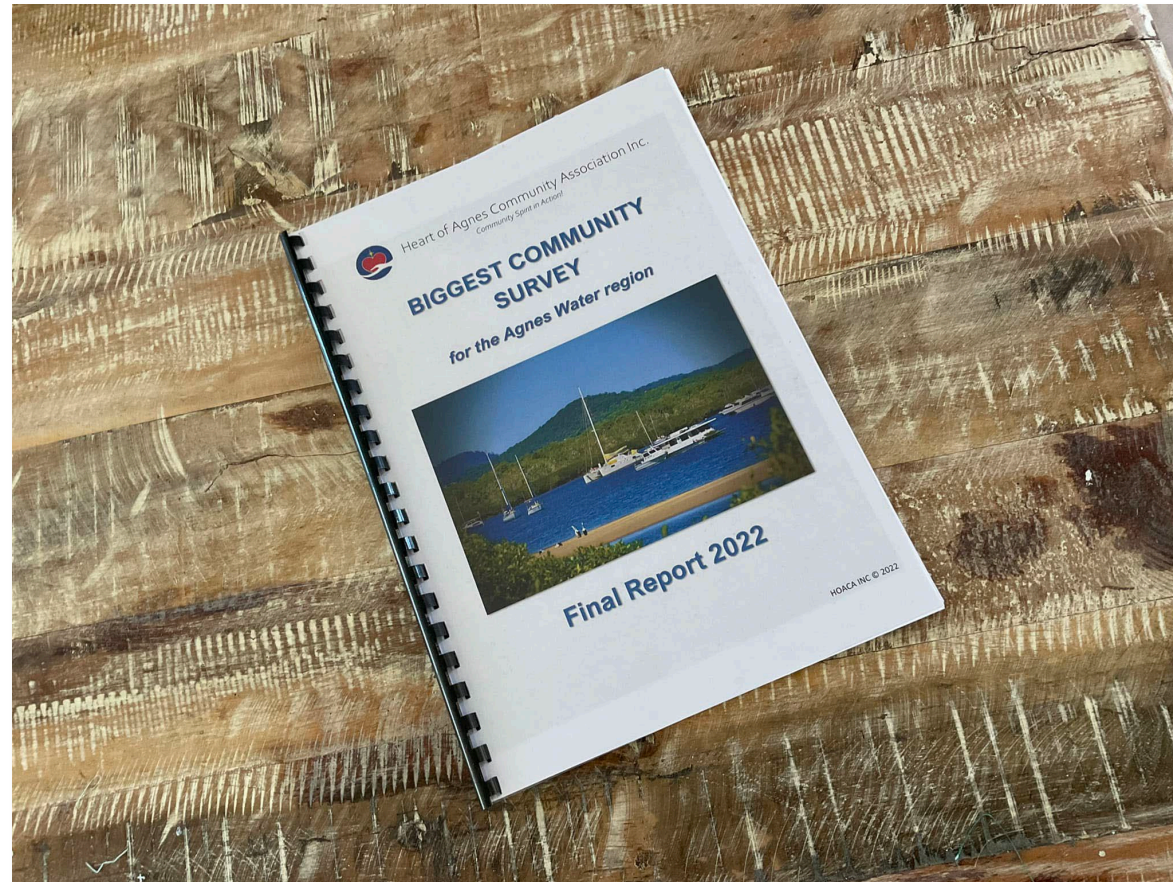

Heart of Agnes is not as traditional organization; it is a platform for community to GET ORGANISED.

A demonstration of Community Spirit in Action!

BIGGEST COMMUNITY SURVEY

for the Agnes Water region

Final Report 2022

Recommendations for Agnes Water:

1. Community Leadership
2. Engagement in Local Planning
3. Environmental Protection

Community Leadership

Our Goals:

1. Establish a local mechanism for increased communication to support a stronger operational partnership with Council.
2. Work closely with Council to ensure funding, resources and services are delivered effectively to the local community.

Current Actions:

- * Community Planning (Council Reference) Group
- * Supporting Council Services

Engagement in Local Planning

Our Goals:

1. Create in-person and online infrastructure for capturing live local data to support future planning.
2. Establish the regions first local fund to strengthen the capacity and resilience of the Agnes Water community.

Current Actions:

- * Live Community Data Model
- * Community Foundation

Environmental Protection

Our Goals:

1. Develop a collaborative Environmental Action Plan for the Baffle Creek Basin.
2. Community-supported environmental regulation applied to new development.

Current Actions:

- * Environmental Protection Plan
- * Engagement in Planning

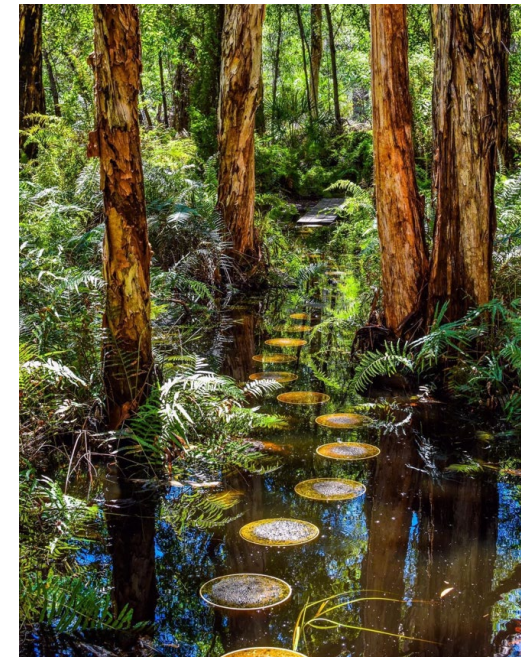

Council & Community: An Opportunity for Partnership

The Agnes Water community and local leaders would see a **sustainable and prosperous working partnership** with Gladstone Regional Council.

We are working to establish **skills-infrastructure** within our community, encouraging a **greater capacity for coordinated action and local leadership** from our residents, organisations and businesses.

This empowers and equips our community to **work collaboratively with Council and other regional stakeholders** to the benefit of everybody.
