Contribution Summary

1. Do you live in the Gladstone Region? Required

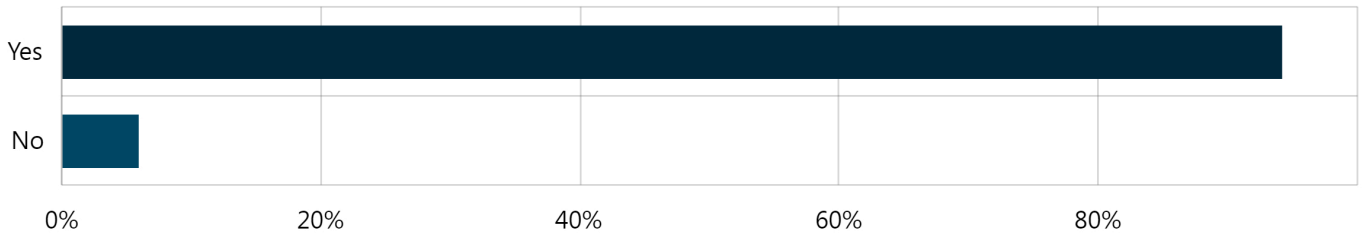

Multi Choice | Skipped: 0 | Answered: 17 (100%)

Answer choices	Percent	Count
Yes	100.00%	17
No	0%	0
Total	100.00%	17

2. Do you own or manage rural land in the Gladstone Region used for keeping livestock? Required

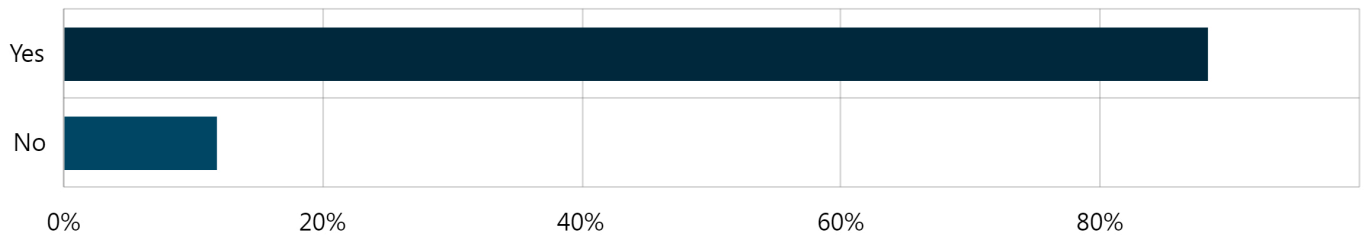

Multi Choice | Skipped: 0 | Answered: 17 (100%)

Answer choices	Percent	Count
Yes	94.12%	16
No	5.88%	1
Total	100.00%	17

3. Do you currently own a gate and/or grid on a Council-managed road? Required

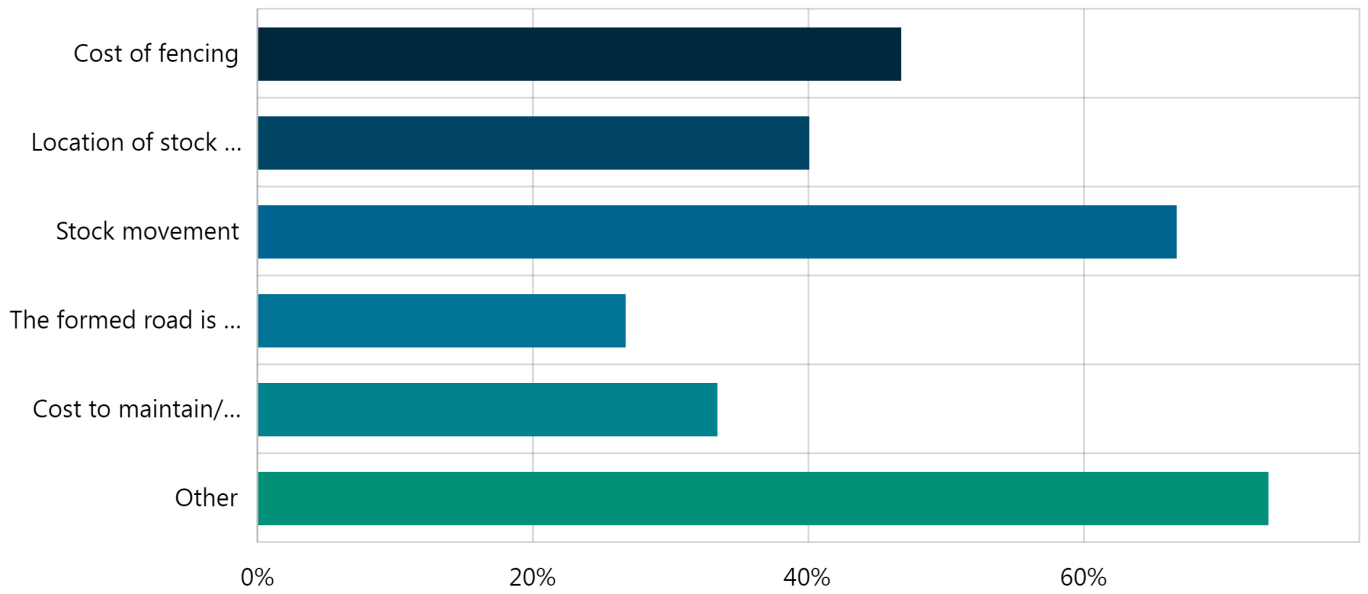

Multi Choice | Skipped: 0 | Answered: 17 (100%)

Answer choices	Percent	Count
Yes	88.24%	15
No	11.76%	2
Total	100.00%	17

4. What are your reasons for using a gate and/or grid instead of fencing? Required

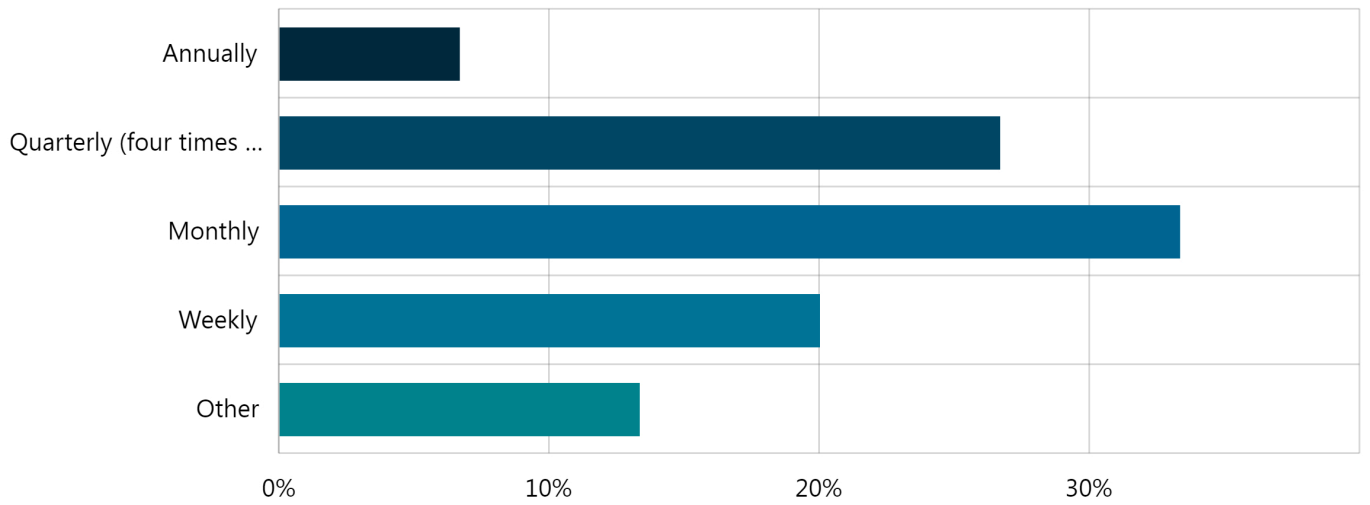

Multi Choice | Skipped: 2 | Answered: 15 (88.2%)

Answer choices	Percent	Count
Cost of fencing	46.67%	7
Location of stock watering points	40.00%	6
Stock movement	66.67%	10
The formed road is not on its correct alignment	26.67%	4
Cost to maintain/repair road fencing	33.33%	5
Other	73.33%	11

5. How often do you currently inspect the gates and/or grids which you own? Required

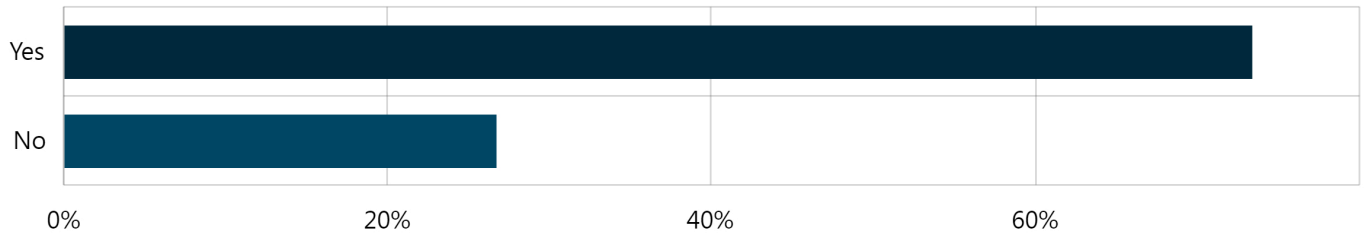

Multi Choice | Skipped: 2 | Answered: 15 (88.2%)

Answer choices	Percent	Count
Annually	6.67%	1
Quarterly (four times a year)	26.67%	4
Monthly	33.33%	5
Weekly	20.00%	3
Other	13.33%	2
Total	100.00%	15

6. Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law? Required

Multi Choice | Skipped: 2 | Answered: 15 (88.2%)

Answer choices	Percent	Count
Yes	73.33%	11
No	26.67%	4
Total	100.00%	15

7. Please provide any additional comments on the standards in the proposed subordinate local law

Long Text | Skipped: 10 | Answered: 7 (41.2%)

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice
Cost of fencing
Location of stock watering points
Stock movement
The formed road is not on its correct alignment
Cost to maintain/repair road fencing
Other: Hallorans Rd is not on current survey. Any fencing of the road would result in unviable parcels of land and access to watering places for livestock management.

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Quarterly (four times a year)

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Renew every ten (10) years

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice
Cost of fencing
Location of stock watering points
Stock movement
The formed road is not on its correct alignment
Cost to maintain/repair road fencing
Other: Hallorans Rd is not on the surveyed easement making grids necessary to segregate cattle

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Quarterly (four times a year)

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Renew every ten (10) years

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Cost of fencing
Location of stock watering points
Cost to maintain/repair road fencing
Other: Safety Reasons to stop stock from getting on the main Bruce Highway

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Quarterly (four times a year)

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Renew annually

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice Yes

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text The present arrangements seem to be working satisfactorily to me. If a gate or grid needs replacing let the landowner do it themselves but it must be done to Council's rules and safety regulations. I believe if Council orders the removal of a grid or gate then Council would have to contribute to half of any fence work. To be necessarily done on each side of the existing surveyed road.

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Other: Our land is on both sides of the road and cattle need access to the land and water on both sides of the road.

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Weekly

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice No

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice For the life of the structure

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text We believe that it is unreasonable for individuals/land owners to be responsible for grids on public roads. We can not be expected to be responsible for how the public drive on the roads, even if they are through our land. Also don't know why we would need a permit system for a permanent, fixed structure that has been approved.

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice No

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text We believe that it is unreasonable for individuals/land owners to be responsible for grids on public roads. We can not be expected to be responsible for how the public drive on the roads, even if they are through our land.

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice The formed road is not on its correct alignment
Other: Fire Control

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Annually

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice No

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text Landowners are not approved to work on Council controlled road and do not have appropriate traffic control certificate

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice For the life of the structure

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text Not covered by insurance

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice No

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text The way it should work is Council to install the grid & maintain at no cost to the landholder. Landholder to supply the grid. This is how most Councils operate in the management of gate & grids.

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice
Cost of fencing
Location of stock watering points
The formed road is not on its correct alignment
Cost to maintain/repair road fencing
Stock movement

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Other: Regularly as I drive over them weekly

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice No

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text Agree with all parts except undertake annual compliance inspection and submit report/photos because I am not a qualified engineer to inspect grids and there compliance with the Australian standard required by GRC. Plus keeping 25m either side of the grid/gate clear because it is a GRC maintained road and that is GRC responsibility.

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice For the life of the structure

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text Refer to previous comments regards to 25m works and inspection/reporting.

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text GRC has not been cleaning out grids whilst they have been under their care. Grid inspections must have been carried out by GRC while under there control but no work has been undertaken. For example refer to CSR726578 reported on 19 October 2023 - this grid has not been cleaned out.

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Cost of fencing
Other: To prevent my cattle from entering the road network. Roadway only partially maintained by GRC and cattle grazing lowers the fire risk.

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Quarterly (four times a year)

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text the Permit Fee should be Zero or \$1 because the Landholder is being required to carrying out all work and administration activity and bare the insurance costs.

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Other: No opinion

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text It is reasonable for the Landholder to manage weeds and sapling growth in and around the Grid/Gate but it is unreasonable to expect the Landholder to clear fallen trees from storms/fires etc. 25m each side of the Grid/Gate. The Landholder is not employed by GRC to do their work they are just requiring a permit to install or maintain a Grid/Gate.

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text GRC has not been proactively undertaking maintenance on Grids since ownership was transferred back to them. There are Grids that have been damaged or filled in with dirt by GRC Road Maintenance Crews and these damages and maintenance have not been undertaken even when the Grid holder has reported it to GRC. It is only reasonable that the damages are fixed and grids are cleaned out before implementing this Subordinate Law.

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice No

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Renew every five (5) years

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text I believe that landholders should be able to maintain any grid on their property with a public road transversing through it without obtaining public liability. We have no control over who crosses the grid and whether they are driving safely or not. It is a public road.

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Other: ungrazed stockroute becomes major fire hazard due to large fuel load of introduced grasses. weed management/control becomes more difficult and an additional expense for council
Stock movement

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Other: daily

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text standard of council maintenance on existing roads, frequency and type of traffic, prospective users of road and existing standard of council signage, should all be taken into consideration when grids are assessed

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice For the life of the structure

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text grids should always be preferred to gates. ununderstandable that gates only are even still considered on public roads especially in view of emergency service like fire brigade, police, ambulance, SES etc have to use the road when a fast response is required

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Other: Its the boundary fence/grid

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Monthly

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text Its out of the Flooding area as well and it will stop 3 property's live stock in if we get a flood

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Renew every five (5) years

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice Yes

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text

Q11 Do you intend to apply for a permit for your gate or grid?

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Stock movement

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Monthly

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice For the life of the structure

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice No

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice
Cost of fencing
Location of stock watering points
Stock movement
Other: Flood fencing
Cost to maintain/repair road fencing

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Monthly

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text Maintenance of roads are the responsibility of the council. That is what we rates for.

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Other: Depends on the fee. Council are charging but are not providing anything.

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text Maintenance of roads is the responsibility of the council. That's what we pay rates for.

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text Council are charging landholders to have grids. This is extortion as the council are not providing a service. Council have a responsibility to maintain roads regardless of whether there is a grid on the road or not. Council's goal to have no grids on roads should not be forced onto landholders. We require these grids as it is not feasible to fence the road.

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Stock movement
Other: Have lease on road reserve with State Government

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Monthly

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text We will be happy with Option 2 of the changes proposed. We are currently maintaining our grid/gates ourselves, as Council has never shown any maintenance interest in our grid/gates since this proposed change came into being.

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice For the life of the structure

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text We believe gates and grids are required within rural regions of the Gladstone Regional Council for safety of stock handling, fire control and biosecurity control. Gladstone Regional Council does not consider the basic agriculture needs of their rural areas within their borders. Gladstone Regional Council is for urban, tourism and industrial development only.

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice Yes

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text Do not have a huge fee for the permit. There should be no fee at all because we, as landowners maintain the grid/gate at our expense. Council has NO EXPENSE at all under Option 2. Therefore the permit should be for the life of gate/grid not a revenue raising annual fee!

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice No

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice No

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Renew every ten (10) years

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text Be kind. Drought makes farming difficult enough. Stop gouging farmers. They are not all rich

Q11 Do you intend to apply for a permit for your gate or grid?

Multi Choice

Q12 Would you like to make any other comments about the proposed Gates and Grids Subordinate Local Law?

Long Text Be kind

Q1 Do you live in the Gladstone Region?

Multi Choice Yes

Q2 Do you own or manage rural land in the Gladstone Region used for keeping livestock?

Multi Choice Yes

Q3 Do you currently own a gate and/or grid on a Council-managed road?

Multi Choice Yes

Q4 What are your reasons for using a gate and/or grid instead of fencing?

Multi Choice Location of stock watering points
Stock movement
Cost of fencing
Other: Weed control, fire hazard due to vegetation build up on fenced roads

Q5 How often do you currently inspect the gates and/or grids which you own?

Multi Choice Monthly

Q6 Do you feel able to maintain the gate, grid and road approaches to the standard in the proposed subordinate local law?

Multi Choice Yes

Q7 Please provide any additional comments on the standards in the proposed subordinate local law

Long Text

Q8 How often do you feel gate and grid permits should be renewed?

Multi Choice Renew every ten (10) years

Q9 Do you consider the proposed permit conditions reasonable?

Multi Choice No

Q10 Please provide any additional comments on the proposed permit conditions.

Long Text

Q11 Do you intend to apply for a permit for your gate or grid?
