## **G/0.3.4. DECLARATION OF INTERESTS**

### **Cr Patrick**

Councillor Leanne Patrick declared a declarable conflict of interest in Agenda Item G/4.4. COMMUNITY INVESTMENT PROGRAM - ELEVATOR APPLICATIONS due to her husband's business, McDonalds Boyne Island, being a financial member of the Gladstone Chamber of Commerce & Industry that is a funding applicant. There is a potential that McDonalds Boyne Island could be a beneficiary of the Buy Local 2024/25 Campaign.

Cr Patrick advised that although she has a declarable conflict of interest, she believed she would reasonably be perceived to be impartial because:

- Whether or not the Gladstone Chamber of Commerce & Industry is successful in their application would not have a significant impact on McDonalds Boyne Island;
- It is not certain that McDonalds Boyne Island would participate or benefit from the campaign; and
- McDonalds Boyne Island stands to gain no greater benefit than any other member of the Gladstone Chamber of Commerce & Industry.

Cr Patrick requested to remain in the meeting and requested the eligible councillors to decide if she may participate in the debate and decision making despite her declarable conflict of interest.

### **GM/24/5176 Council Resolution:**

Moved Cr Muszkat

Seconded Cr Holzheimer

That notwithstanding Cr Patrick's declarable conflict of interest, it is in the public interest for Cr Patrick to remain in the room and participate in the decision without restriction.

**CARRIED**

**For the Motion:** Cr Muszkat, Cr McClintock, Cr Holzheimer, Cr Davis, Cr Wagner, Cr Churchill

**Against the Motion:** Nil

**Ineligible:** Cr Goodluck, Cr Patrick, Mayor Burnett

### **Cr Goodluck**

Councillor Kahn Goodluck declared a prescribed conflict of interest in Agenda Item G/4.4. COMMUNITY INVESTMENT PROGRAM - ELEVATOR APPLICATIONS as he is a director on the board of Apprentice and Trainees Queensland. Apprentice and Trainees Queensland are one of the applicants for funding that will be considered as part of Item G/4.4.

Cr Goodluck advised that he will leave the meeting room for the consideration of Item G/4.4.

**Mayor Burnett**

Mayor Matt Burnett declared a declarable conflict of interest in Agenda Item G/4.4. COMMUNITY INVESTMENT PROGRAM - ELEVATOR APPLICATIONS as his daughter's business, Jessi Jayne, is a financial member of the Gladstone Chamber of Commerce & Industry that is a funding applicant.

Mayor Burnett advised that although he has a declarable conflict of interest, he believed would reasonably be perceived to be impartial because:

- Whether or not the Gladstone Chamber of Commerce & Industry is successful in their application would not have a significant impact on Jessi Jayne;
- It is not certain that Jessi Jayne would participate or benefit from the campaign; and
- Jessi Jayne stands to gain no greater benefit than any other member of the Gladstone Chamber of Commerce & Industry.

**GM/24/5177 Council Resolution:**

Moved Cr Churchill  
Seconded Cr McClintock

That notwithstanding Mayor Burnett's declarable conflict of interest, it is in the public interest for Mayor Burnett to remain in the room and participate in the decision without restriction.

**For the Motion:** Cr Muszkat, Cr McClintock, Cr Holzheimer, Cr Davis, Cr Wagner, Cr Churchill

**Against the Motion:** Nil

**Ineligible:** Cr Goodluck, Cr Patrick, Mayor Burnett

## G/1. MAYORAL STATEMENT OF CURRENT ISSUES

What a few weeks it has been in the Gladstone Region in terms of events. We've had the Country Music Festival on Saturday 6 and Sunday 7 April 2024 at the Gladstone Showgrounds. Absolutely rained out, but everyone had a fantastic time. Well done to the organisers, in what you could only described as atrocious weather, but a great weekend none the less. And they are already planning for their next event next year, they are planning for Friday 3, Saturday 4 October and Sunday 5 October 2025. That will be a huge event again no doubt.

The Boyne Valley Music Camp Out was on Thursday 11 to Sunday 14 April 2024. Which was another fantastic event in the Boyne Valley. The Lowmead 3 Car Challenge - Take 2. Originally the 3 Car Challenge was meant to take place around the same time as the bushfires in the Lowmead area and they deferred the event and held the event on Friday 12 to Sunday 14 April 2024. Another huge success for the Lowmead 3 Car Challenge.

The Gladstone RSL opened the Sub-Branch Drop-In Centre and Area Hub on Saturday 13 April 2024. Opened by Glenn Butcher, our local Minister, and members from the RSL. Fantastic to see that facility opened. That is what happens when local council, state government, federal government and community and the Gladstone Foundation work together for a great project and for a great organisation in the Gladstone RSL.

In the weekend just gone, we have the International Legends of League at Dennis Park in Boyne Island which coincided with the Walking for Warriors event also at Dennis Park in Boyne Island. The Queensland Ambulance Service in Mt Larcom celebrated 100 years and the Miriam Vale Rodeo was also another successful event. Although a bit of bad weather for that event as well. Lots happening in Gladstone.

On Wednesday 10 April 2024 we welcomed 53 new citizens to the Gladstone Region at the Citizenship Ceremony at the Gladstone Entertainment Convention Centre (GECC).

And it's not just all events though in the Gladstone Region, we had some significant announcements and some significant projects reaching completion. Firstly, the Fortescue Future Industries project in the Gladstone State Development Area was opened by the Minister for Industry and Science, Ed Husic and the entire Queensland Cabinet came to Gladstone for that event as well. It is great to see the Fortescue project is now manufacturing electrolyzers in the Gladstone Region in our State Development Area. One the same day the Premier announced the second stage which includes a hydrogen system testing facility and Fortescue's PEM50 green hydrogen project.

The very next day we turned the dirt on the solar farm at the State Development Area. The Acciona Solar Farm which will provide the green energy for the Stanwell hydrogen project. And then just recently we had the Prime Minister in Gladstone, the Premier back in Gladstone, the Federal Minister for Trade and Tourism, Don Farrell, Minister for Resources and Minister for Northern Australia, Madeleine King, and of course, Glenn Butcher, Queensland Minister for Regional Development and Manufacturing and Minister for Water, announcing the \$400 million for the Alpha HPA project.

We've opened our electrolyser facility; we've announced a hydrogen facility; turned the dirt on the solar farm and we've invested \$400 million in the Alpha HPA project. Everything is happening in Central Queensland, and everything is happening in Gladstone. We had the Prime Minister and the entire Queensland Cabinet here to make these announcements. I thank the Deputy Mayor, Natalia Muszkat, for attending the Alpha HPA project on my behalf.

This week we have ANZAC Day. ANZAC Day is on Thursday 25 April 2024. All the services are detailed on Council's website and I've also shared that on my own social media where the dawn services and main services are right across the region.

## GLADSTONE REGIONAL COUNCIL GENERAL MEETING MINUTES - 23 APRIL 2024

This Sunday 28 April 2024 is the Bella the Brave Fun Run at 6am at Millennium Esplanade. It is a great fundraiser and I encourage everyone to get involved in that. You don't have to run; you can walk or jog.

Next weekend we have the opening of the Camping, Caravan and Cycling weekend event at the Boyne Burnett Inland Rail Trail. More information on their Facebook page. The Boyne Tannum Hook Up will be held at Boyne Island Tannum Sands and everyone can find more information on their website and Facebook as well. Australia's Biggest Family Fishing Festival, a huge event for the Gladstone Region. And of course, the first Monday in May is Labour Day. The march will take place behind the Council Chambers at 10am and it will proceed to the Gladstone Marina, where there will be live music, the annual tug of war and rides for the kids. A fantastic family fun day in the Gladstone Region.

Just yesterday we welcomed the Board of Tourism Events Queensland to Gladstone for the Tourism Events Queensland Conversations with our local businesses and industry and then they went to Agnes Water last night and met with over 80 local businesses. When you combine the two together, we had over 100 local businesses meeting with the board and the CEO of Tourism Events Queensland. They spoke very highly of the team at Gladstone Area Promotion Development Ltd (GAPDL) and Discovery Coast Tourism and Commerce for all the good work they do in our community.

It is with joy but a touch of sadness, to today acknowledge the departure from Council of two of our long-serving employees. I am honoured, on behalf of Council, to say a very big thank you to Kevin Doble, Senior Technical Officer, and Wendy Barber, Technical Asset Officer. After their farewell get togethers with their Council teams and colleagues recently, I believe Kev and Wendy will soon be out and about enjoying travelling, although they may be tuned in today. Both Kev and Wendy have been predominantly based in our Calliope office with Wendy also working for a short duration in our Gladstone Office. Both have served our organisation and the Gladstone Region communities for an extensive number of years.

From 1988 to 2011 we were privileged to have Kev's knowledge and experience supporting our plant and fleet operations. Kev left the business in late 2011 but fortunately for Council, returned in 2017 to take on Compliance, Technical and Senior Technical Officer roles.

Wendy joined Council in the year 2000 and served for 9 years as Personal Assistant to our Works Operations Manager. From 2009 to 2024, we've been privileged to have Wendy sharing her strong knowledge of the business, providing a great support in the Assets field.

On behalf of Gladstone Regional Council, it is an absolute honour to sincerely thank both Kev and Wendy for their service. Their commitment and dedication to their careers has been exceptional and their work has contributed to making our Gladstone Region greater. They have both been strongly respected by their colleagues across our business, have been extremely valuable team players and have been wonderful mentors.

Kev and Wendy, we wish you both all the best, and we humbly thank you for the 30 plus years that you've each dedicated to serving Gladstone Region.
