

G/5.3.3 PSA 22-16 SAFETY PRODUCTS AND ASSOCIATED ITEMS

Purpose:

The purpose of this report is to allow Council to consider the Tender Panel's recommendation in relation to Tender PSA 22/16 - Supply and Delivery of Safety Products and Associated Items.

Officer's Recommendation:

That Council endorse the Tender Evaluation Panel assessment and authorise the Chief Executive Officer to:

- accept the Tender from WorkSense Workwear and Safety Products for the supply and delivery of ear, respiratory and other protection for an initial period of one (1) year with Council having at its discretion the option of extending the contract period by a further two (2) periods of one (1) year in accordance with the tender submission and specification; and execute the appropriate contract documents;
- accept the Tender from Totally Workwear for the supply and delivery of clothing and foot protection for an initial period of one (1) year with Council having at its discretion the option of extending the contract period by a further two (2) periods of one (1) year in accordance with the tender submission and specification; and execute the appropriate contract documents; and
- accept the Tender from Endeavour Foundation for the supply and delivery of eye, hand, head and skin protection for an initial period of one (1) year with Council having at its discretion the option of extending the contract period by a further two (2) periods of one (1) year in accordance with the tender submission and specification; and execute the appropriate contract documents.

G/ 15 / 2612 Council Resolution:

Moved Cr Sobhanian
Seconded Cr Porter

That the Officer's Recommendation be adopted.
